The Secretary to Government,
Public Works Department, Madras

Letter No. 20512-B2/52-46 Dated 23-11-53.

Sir,

Sub: Tools and Plant-Manufacture of Bitumen drum Mixers for Mangalore Highways division-Revised sanction of Government requested.

Ref: G.O.No.5256 P.W.D. dated 23-12-52.

In G.O.No.5256 P.W. dated 23-12-52 sanction was accorded for the manufacture of 24 Nos. Bitumen drum Mixers at a total cost of Rs.4800/- for B.T.works in South Kanara division. Out of the total of 24 Mixers to be manufactured, 8 Mixeers were supplied by M/S Simpson & Co. The remaining 16 nos. were got manufactured locally through Sri Canara Manufacturing Corporation Ltd., Mangalore.

The total expenditure incurred in manufacturing the above drum Mixers is as follows:

1. Cost of 8 Nos. drum Mixers supplied by M/S Simpson & Co. inclusive of S.T. Railway freight & packing charges.	Rs.3,111	14 0
2. 16 Nos.drum Mixers manufactured through Sri Canara manufacturing Corporation Ltd. including cost & conveyance etc. complete at the rate of Rs.195/- per each Mixer.	Rs. 3,120	0 0
Total	Rs.6,231	14 0

On the whole, the total cost in manufacturing these 24 Mixers has exceeded the amount of Rs.4800/- sanctioned by Government, to the extent of Rs.1431-14-0(i.e Rs.6231-14-0--4800-0-0: 1431-14-0).

In the circumstances, I request that revised sanction of Government for the manufacture of these 24 Nos. drum Mixers may please be accorded.

for Chief Engineer (Highways)

DN 24-11-53.

Sub:- Tools and plant- Manufacture of Bitum
Drum Mixers for Mangalore Highways
Division-. Revised sanction.

Ref:- From the C.E.(H) Letter No.20512-B2/5
dated 23-11-1953.

In G.O.No.5256 P.W., dated 23-12-1952 Govt. sanctioned the manufacture of 24 numb Bitumen Drum Mixers for use in the South Kanara Division at a cost of Rs.4,800/-. It is seen from the le cited that only 16 numbers Bitumen Drum Mix were manufactured locally at a cost of Rs.3 and that the balance of 8 numbers Drum Mixe were purchased from M/s. Simpson & Co., Ltd Madras at a total cost of Rs.3,111-14-0. I been suggested that if all the 24 numbers Bitumen Drum Mixers were manufacutred locally then their total cost would have been with the amount sanctioned for the purpose in G. 5256 P.W., dated 23-12-1952.

The C.E.(H) is requested to report the circumstances under which all the 24 nu Bitumen Drum Mixers could not be manufactured locally. He is also requested to report wh the prior approval of the Govt. was not obt for the purchase of 8 numbers Bitumen Drum Mixers in partial modification of the order in G.O.No.5256 P.W., dated 23-12-1952.

The C.E.(H).

Note:- Please see the letter from the C.E.(H at page 1 c.f. The C.E.(H) may be consu as in the draft above before examining the further.

HIGHWAYS DEPARTMENT

From
Sri K.K.Nambiar,B.E.,M.I.E.,(Ind),
F.Inst.H.E.,(Eng)M.I.Mun.E.,(Eng),
M. Am. Soc. C.E.,
Chief Engineer (Highways),
5547 Chepauk, Madras-5.

To
The Secretary to Government,
Public Works Department,
Fort St. George,
MADRAS-9.

Letter No. 20512 B2/52-49 Dated 18th January, 1954.

Sir,

Sub: Tools and Plant - Manufacture of Bitumen drum Mixers for Mangalore Highways Division - Revised sanction.

Ref: Government Memorandum No. 102445 A/53-1 dated 12-1

The 8 nos. drum mixers purchased from Sri Simpson & Co. were due to the fact that it was represented by the Divisional Engineer (Highways) South Kanara that he was unable to push through the manufacture of the 24 nos. drum mixers locally for want of angle iron, and in order to complete the B.T. works on Mangalore Mercara Road and Mangalore Agumbe road by March 53 as promised to the Hon'ble Minister for Public Works Department, the Divisional Engineer (Highways) South Kanara wanted at least 12 mixers immediately. As none could be spared from elsewhere, Sri Simpson & Co. was addressed whether they could supply the same. But they replied that they had only 8 nos. on hand. In view of the urgency of the works mentioned above, these were purchased straightaway as otherwise the works would have been considerably slowed down. The mixers supplied by the Company are of a stronger make and more durable than those manufactured locally, and hence the difference in price.

2. The purchase was made in view of the pressing demand and urgency. I request that omission in getting prior approval of Government may please be ratified and revised sanction of Government for the manufacture of the 24 nos. drum mixers at a cost of Rs.6231-14-0 may please be accorded early.

Tools and Plant - Highways Dept- Manufacture of Bitumen drum mixers for Mangalore Highways Division - Revised sanction.

P 1 c.f

Ref: From the C.E. (H) No.20512 B2/52-46 d/23-

From the C.E.(H)No.20512B2/49 d/18-1-54.

Please see the C.E. (H)'s letter at p. 1.c.f the memo on p. 3 c.f and the C.E.'s reply thereto at p. 5 c.f.

pp3-4 c.f

2. In G.O. No.5256, P.W. d/23-12-52 the Gov sanctioned the manufacture of 24 ~~numbers of~~ Bitumen Drum Mixers for use in the S.Kanara Divi at a cost of Rs 4,800/- In his letter at p. 1.c.f the C.E. (H) has reported that only 16 ~~numbers of~~ Bitumen Drum Mixers were manufactured locally at a cost of Rs 3120 and that the balance of 8 ~~numbe~~ Drum Mixers were purchased from M/s Simpson and Co., Ltd., Madras at a total cost of Rs 3,111-14- As the total cost in manufacturing these 24 mixe has exceeded the amount of Rs 4,800/- sanctioned by the Govt. to the extent of Rs 1,431-14-0 he has requested revised sanction of Govt. for t manufacture of these 24 ~~nos.~~ drum mixers.

3. In the Memo. on p. 3.c.f, it was pointed out to the C.E. (H) that if all the 24 ~~numbers of~~ Bitumen Drum Mixers were manufactured locally, the total cost would have been within the amount sanctioned for the purpose in G.O. No.5256 P.W. d/23-12-52. He was therefore requested to report the circumstances under which all the 24 ~~numbers~~ Bitumen drum mixers could not be manufactured locally. He was also asked to report why the prior approval of the Govt. was not obtained for the purchase of 8 ~~numbers~~ Bitume Drum mixers in ~~partial~~ modification of the orders in G.O. referred to above. In his reply the C.E. has now stated that it was represented by the D.E. (H) S. Kanara that he was

to push through the manufacture of 24 ~~numbers~~ drum mixers locally for want of angle iron and that the C.E. wanted at least 12 mixers immediately ~~[illegible]~~ to enable him in order to complete the B.T. works on Mangalore Mercara Road and Mangalore Agumbe road by March 1953 as promised by M(T). The C.E. has also reported that none could be spared from elsewhere. In view of this and of the fact that the works had to be executed urgently eight ~~numbers~~ drum mixers were purchased straightaway from Sri Simpson & Co. As for the variation in price he has pointed out that the mixers supplied by the Company are of a stronger make and more durable than those manufactured locally. As the purchase of 8 nos. drum mixers was made in view of the pressing demand and urgency he has requested that the omission on his part in getting the prior approval of the Govt. for their purchase may be ratified and revised sanction accorded for the manufacture of 24 ~~nos.~~ drum mixers at a cost of Rs 6231-14-0. In the circumstances now explained by the C.E., revised sanction may now ~~be given~~ be accorded for the manufacture of 24 ~~nos.~~ drum mixers at a cost of Rs 6,231-14-0 in modification of the orders issued in G.O.No.5256, P.W. d/23-12-52 and his action in having purchased 8 drum mixers without getting the prior approval of the Govt. may also be ratified. Subject to approval a draft order is submitted.

4. Finance may see for acceptance.
